

**Floor Plan:**  
Taylorsville - NC

3 Beds | 2 Baths | 1,456 sqft | Garage: No

## Taylorsville

This model offers some of the most enduring features in homebuilding such as a classic saddle roof and a split floorplan allowing the master suite to be on one side of the house and the 2 bedrooms to be opposite for added privacy. The open floorplan is spacious and welcoming for guests and family alike.

- “Best-of homebuilding” features
- Practical design
- Focus on family with an open layout
- Separate master suite for optimum privacy and relaxation
